

The News Building, 3 London Bridge Street 3rd floor, London Bridge SE1 9SG

Description:

This iconic News Building is close to the Shard and features ultra-modern and stylish serviced offices in London Bridge.

This building was designed by the same Italian architect that designed the Shard which is nearby, and shares the same masterclass. There are 17 floors in this building with about 5 meeting rooms in total. The serviced offices here are stunning and provide amazing views for clients. This is one of the most sought after locations in London to work from and rightly so. The location of this business centre means that it is within walking distance from London Bridge, Borough and Monument Stations and also benefits from an excellent bus network across the entire city. London Bridge provides a very professional business environment with the opportunity to collaborate and network with other professionals across a wide range of industries.
